Dear Friends,

- Once again last year, our all volunteer crews responded more than 300 times to serve you and your neighbors.
- Our new 2016 Freightliner - 4 Guys Fire Engine was delivered in May and placed into service within days.
- An incredible parade travelling from Bechtelsville through Barto to Bally was held in September. Hundreds of residents and 64 fire trucks and ambulances helped us celebrate our fifth anniversary.
- We answered alarms for accidents involving trucks and cars, poles and wires, fatalities and entrapment, homes, barns and sheds, woods and brush, lost children, medical assists, and traffic control.
- We took days off to bring fire prevention presentations to the excited children of area schools.
- We again co-sponsored the Berks Fire Training Weekend bringing professionals from around the country to teach and share skills.
- We purchased a new-to-us pickup truck to replace an aging Fire Police van; and sold our 21 year old pumper to a department in Iowa.

We, the volunteer firefighters and fire police from Eastern Berks Fire Department, are ready to respond 24 hours a day, 7 days a week, in all kinds of weather. We are your neighbors, co-workers and friends who rely on your financial support in the same way you rely on our responses to your fire and rescue emergencies.

Help us help you by responding with your generous donation.

Thank you.

Your Neighbors at Eastern Berks Fire Department

Eastern Berks Fire Department

operates three stations located in Bally, Barto, and Bechtelsville.
